

## Job Opening

Afternoon Childcare Classroom Assistant

20-25 hours per week (typically 12:30-5:00)

Classroom experience is preferred but not required

Initial training required by Childcare Licensing will be provided by Trinity

This individual will work with the Lead Teacher for Afternoon Childcare, serving preschool-aged children. Some elementary-aged students are included in the group from 3:30-6:00.

Duties include supervising the children, assisting the teacher with classroom activities and preparing/serving afternoon snack.

The individual needs to be comfortable working with young children, able to positively engage parents, work collaboratively with other staff members and prove reliable in following schedules and procedures.

As a Lutheran school, Trinity aspires to have teachers who support the Lutheran education culture of our church and school and live a life of faith evidenced by regular worship in a congregation and the study of God's Word.

This is an excellent opportunity to gain classroom experience and beginning training for someone working towards becoming a professional educator.
