

# TRINITY TRIBUNE

## JANUARY EDITION

**Faith - Family - Foundation**

### PRINCIPAL'S NOTE

I pray that you all had a wonderful Christmas and New Year's celebrations with your family and friends. I am excited to be starting a fresh month at Trinity, and ready to work hard at meeting learning goals, as well as take time at the end of the month to celebrate our Lutheran School. Please be sure to pay close attention to opportunities to praise God, join in fellowship, and have some fun with dress-up days.

As we start the new year, please be mindful of policies in place at Trinity. This ensures that students come to school ready to learn, grow, and find success in what they pursue.

We have volunteer opportunities in the lunchroom and first grade classroom running some reading groups. If you have interest, please contact Mrs. Conner or myself.

### Mission Project

We introduced our school year's mission project. We will be supporting the Ersland family as they work in the African country, Ghana, to translate the Bible and share God's word. Children can bring offerings to support this work on Wednesdays.
